

Bourbon Wall Tour – The Zoom Sessions, Vino, Etc.

A private, intimate tour of the Vino, Etc. “Bourbon Wall” – The Wall is a cavalcade of craft selections, handpicked to reflect the broad and historic vista that is bourbon.

Experience themed presentation of diverse selections of bourbons or customized tours*:

- **“New York, New York, New York”** - The big apple has good bourbons, we'll taste a few
- **“California’s Dreaming”** - California Bourbon’s, not wine
- **“Go Bourbon Go”** - Up and coming, small craft libations
- **“Keep Your Powder Dry”** - 100 proof and higher bourbons for the experienced traveler

Reservation only, select times and day. Exclusive and private bourbon experiences available. We can customize a tour for your taste or design a specific program from the ground up.

The program includes:

- Samples sent to each attendee
- Sample scoring card
- Manufacture’s history, label stories, bourbon history
- Zoom invitations are emailed to each recipient. There is no limit to the number of viewers per attendee.
- Optional: One hand selected bottle from the tour for each attendee
- 4-8-week lead time

The tasting is led by an experienced Specialist who oversees 241 select bourbons. Your tasting can be customized to include corporate content and special requests are always welcome.

The session is highly interactive. We’ve found people who enjoy bourbon typically like to share opinions and stories, so all microphones and cameras are typically left open during the session.
